**RE: Check #1026984**

**Dear Mr. Tucker,**

I wanted to say to you officially how pleased I was with the work your men did on the brick paving project on the south side of the Holz Education Building. This work will be shared by those students whose session name is already on some of these brick pavers plus those students who come to the campus in the future. Again, please share with the workers who completed this work how pleased we are with the work that was completed.

Here is the check for payment of this work.

May God bless you.

Sincerely yours,

**Robert E. Bullock**
